WHO WE ARE?

Pandilla is the Spanish word for “a gang of” (pals, bandits or birds). It’s also a new place in Ibiza, located in the heart of Las Salinas Natural Park. The space has the double big ambition of being a relax getaway hostel for all types of tribes and a creative oasis. 10 casitas, 10 minutes from the sea, 1 big pool, 1 lush garden, 1 workshop space, Indoor and outdoor amenities to create all sort of things.

WHO IS ELIGIBLE?

La Pandilla wishes to support an artist collective that needs a place to focus, gather and create a project in the island. We are open to all kind of artists groups submissions as long as you have a commun practice and that it makes sense for you to come here in Ibiza for your project and practice. No age limits, we welcome all nationalites and all types of artists and we can accomodate groups of up to 8 persons.
